

Healthier Futures for 16-18s

Thinking about a career in care?

This programme is perfect for beginners who want to explore careers in health, social care, childcare, or youth work.

Experienced and supportive tutors will help build your confidence and employability. You'll gain a nationally recognised qualification and functional skills in maths & English. The course is a great first step to progress onto Level 2 courses or an apprenticeship.

You'll learn:

- Principles, values and responsibilities of a care role
- The range of services and settings
- Equality, diversity and safeguarding
- Communication skills for health, social care and childcare
- Human development and the importance of play

The core qualification is the NCFE Level 1 Certificate in Introduction to Health, Social Care & Children's and Young People's Settings
